Current SD Section Treasurer

CANDIDATE STATEMENT:

As the incumbent, I worked with the President to switch banks last year. We are now with USE credit union and have eliminated the monthly checking fee. I transitioned our bookkeeping from a paper ledger to Excel files. I submit a detail financial report to the officers every month. Since I am office based, I have been speaking to new BU9 employees at the New Employee Orientations at Caltrans. The Treasurer is not only responsible for the Section's finances but is also a voting member and has a voice in the direction of the Section. Guiding Principle - Every dollar that is spent has to ultimately be for the benefit of our members.
